

# Upcoming Events – FALL 2005

## CASNR CAREER ORIENTATION SESSIONS

Students must attend a CASNR Career Orientation Session and establish a career account with CASNR Career Services to be eligible for participation in CASNR-coordinated student employer visits and to contact professionals through Career Connections networking system. Students must re-register each academic years; however, previously registered students do not have to attend another Career Orientation. Students who have been previously registered with CASNR Career Services simply need to go on-line to re-submit their career registration profile and upload an updated résumé. Only students who have never been registered with CASNR Career Services must attend a Career Orientation Session prior to establishing their career accounts. **To attend a Career Orientation Session listed below, students must sign up in 103 Ag Hall.** All Career Orientation Sessions will last approximately 1 hour and will be located in the 103 Ag Hall conference room.
